Annual Education Report

August 19, 2011

Dear Parents and Community Members,

We are please to present you with the Annual Education Report (AER) which provides key information on the 2010-2011 educational progress for K.I. Sawyer Elementary School. The AER address the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact Mrs. Sandra Petrovich, building principal, for assistance.

The AER is available for your to review electronically by visiting the following web site: <http://www.gwinn.k12.mi.us> or you may review a copy at the school office.

For 2010-2011, K.I. Sawyer Elementary School received a "B" on the state school report card and made Adequate Yearly Progress (AYP) in English language arts and mathematics. While we are pleased to have reached this important goal, we are continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort.

State law requires that we also report the following additional information.

1. Process for Assigning Pupils to the School

K.I. Sawyer Elementary is one of two elementary schools in the Gwinn District. The Gwinn Area Community Schools District has identified attendance areas for each building as well as a policy and process to address parents' school of choice requires. Copies of this policy and procedures are available at each building principal's office as well as the central administration office. Parents have been notified of the policy and process for school of choice requests. Students residing in the residential boundaries of K.I. Sawyer Elementary attend our school.

2. The Status of the 3-5 Year School Improvement Plan

The K.I. Sawyer Elementary School Improvement Team met during the 2010-2011 school year to discuss strategies for achieving the school's improvement plan goals. Goals and data were reviewed regularly by staff members, parents and community members as a means of incorporating ideas and suggestions from all interested parties in the school improvement planning process.

Multiple data sources were utilized in making data-based decisions. These included; Michigan Educational Assessment Program (MEAP), Dynamic Indicators of Basic Early Literacy Skills (DIBELS), School-Wide Information System (SWIS) for student behaviors, curriculum and classroom assessments, School Process Rubrics, Student Needs Assessment and parent and teacher surveys. Through analyzing data, the school improvement team identified areas for improvement and developed goals, objectives, strategies and activities in reading, writing, mathematics, science, social studies and community relationships. Staff meetings and professional development sessions throughout the school year focused on addressing these areas.

3. A Brief Description of K.I. Sawyer Elementary School

K.I. Sawyer Elementary School is located at 411 Scorpion on the former K.I. Sawyer Air Force Based in Gwinn, Michigan. It is the larger of two elementary buildings in the Gwinn Area Community School District. K.I. Sawyer School consists of 16 grade-level classrooms, and Early Child Developmental Delay (ECDD) classroom, four Special Education Resource Rooms, two Title I classrooms, computer lab, Community Resource Center, two gymnasiums, an art room, a music room, and a library. During the 2010-2011 school year, K.I. Sawyer Elementary had two classroom sections at each grade level except in kindergarten and second grade, which had three sections. The school has one principal, one secretary, a teaching staff of 29, and a support staff consisting of instructional aides, food service personnel, and noon-time supervisors.

4. The Core Curriculum

The core curriculum is the basic learning program in curricular areas for all students. The core curriculum for each content area defines expected student outcomes based on goals and objectives developed by the school district. These also reflect Michigan's Curriculum Frameworks and Grade Level Content Expectations. Statements of philosophy and standards for each curricular area have been developed. The core curriculum identifies the instructional program, units of study, teaching materials, and methods of evaluation for grade levels.

At K.I. Sawyer Elementary School, students are educated in the following areas: mathematics, English language arts, social studies, science, health, and technology. Instruction is sequential and developmentally appropriate with high expectations for student outcomes. In addition, students receive instruction in art, music, technology, library and physical education each week. Sixth grade students may also enroll in band. Title I services in reading, writing, math, science and social studies and special education services in reading, writing and math were provided to targeted students. The school's Title VII program provided ongoing tutoring to Native American students. Curricular areas are re-evaluated on a five-year rotating cycle. This school year, the Curriculum Committee began the process of evaluating and realigning the English Language Arts curriculum. A copy of the core curriculum may be accessed through the district website at www.gwinn.k12.mi.us or from the building principal.

5. The Aggregate Student Achievement Results for Any Local Competency Tests or Nationally Normed Achievement Tests

Grade Level	Gates MacGinitie Reading Test % of students who made 1 year of growth or tested at or above grade level at the end of the year	Average Scores of New Quarterly Math Tests* *Gwinn Schools began quarterly testing for math during the 2010-2011 school year. These % indicate the average score for each grade level on the quarterly tests throughout the year.

Congratulations to the staff members, students, and parents at K.I. Sawyer Elementary School. Our school continues to make gains in student achievement as evidenced by the attached Annual Education Report, our AYP status and our "B" state report card grade. Our success is due to the hard work of staff members and students and the combined support of parents with over 1,500 logged volunteer hours. If you have any questions about K.I. Sawyer Elementary, please feel free to contact me at 346-5567 or spetrovi@gwinn.k12.mi.us .

Sincerely,

Sandra L. Petrovich
Principal
